Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the prior art did not teach or suggest a backlight assembly comprising: a receiving container having first and second ledges extending at least partially about an upper periphery, wherein the second ledge is disposed above the first ledge and has an inner edge generally coincident with or disposed outside of an outer edge of the first ledge such that the first and second ledges do not overlap.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
